概要

For each course I choose a different graded reader - books written especially for language-learners. This allows us to do a variety of extensive reading and listening activities. It also helps you better understand the film or TV adaptation of the book which we usually watch in class in English with English subtitles. Of course, there is conversation and discussion too.

講師

ダンカン・ベイカー

獨協大学講師 専門/Studies in Fiction
MA in Twentieth Century Literature, University of East Anglia, Norwich, England. RSA UCLES Cert. TEFL. Born in Singapore. Educated in England.
